

It's More than a Membership

We invite you to join our research community comprised of an international and multi-disciplinary membership from around the globe.

As an ORS member you can:

- Gain exposure to much broader and diverse research topic areas
- Cultivate friendships that transcend science and last a lifetime
- Get involved in grassroots movements such as Research Sections, Community Networks, ORS Ambassadors, and more!

There's no better time to join or renew your membership.

Applications and white papers due next month for four OREF grants!

More than \$1 million is available in funding from OREF and collaborators.

OREF grant opportunities are open until next month for musculoskeletal injuries, orthobiologics, biologic allograft and pain management research funding. Grants from \$50,000 to \$1.5 million are available to eligible applicants.

Deadlines are February 21 for OREF applications and February 28 for the OREF MTEC Grant enhanced white papers.

For more information, visit OREF's grant programs page.
