Join the PNW Policy Council Today! Engage in Thought Leadership and Policy Development

Join our first ever Policy Council to assist small and medium sized businesses engage in thought leadership and policy development. It will educate and deliver recommendations to

enable the Department of Defense and the Intelligence Community to make meaningful progress on addressing defense modernization challenges and ensure the country sustains its intelligence and security advantage.

Mission

The council will serve as a policy accelerator for the most pressing modernization and technology challenges faced by the Department of Defense and Intelligence Community. Both public and private stakeholders will have a seat at the table to increase defense resiliency and national security.

If you are interested or want more information contact <u>Dradin Kreft</u>
